*It was like
shedding
tension...*

I feel...

kinda
weird.

*we
breathed
mingled
sighs...*

*...and his
words
echoed
strangely.*

*It was the first
time I'd kissed
a guy.*

Aah...

this is a
little more
than I
expected.

*It
wasn't
a bad
feeling.*

The comfort that came from the gap between the strength of our feelings permeated my senses, along with his words.

Fujimura...

How
long have
you been
standing
there?

HEHE...

Long
enough

I was holding
my breath with
anticipation,
thinking
something
interesting
might happen,
but it never
did.

HA
HA
HA
HA
HA!

What?

Did
Ten tell
you?

Just
a
bit.

Nothing.
He just
really looks
like a
cat.

Sound
sleep?

All the fun
stuff happens
while I'm out
of town.

I can't
compare
to a
certain
someone
who spent
a whole
week in
town
with some
girl

"The fun
stuff...?"

WHAT?

So Sou-kun
and this
Furuse-kun
guy have
that kind of
relationship?

Are
you
serious?

HA
HA
HA
HA
HA!

You're the
one who's
"unclear....f"

I'm being
straightforward
and you keep
beating
around the
bush!

Well...

it's
unclear...

That's
really
odd...

that
Sen kun
wouldn't
answer
when
it's you
asking.

Wow...

Well, I
just don't feel
like I can jump in
and ask.

And if I
ask like a
joke, I'll
just get
a joking
answer!

It's like
a snake is
waiting for
me in the
grass!

serious.

He
might
be...

Huh?

*But,
Sou-kun...*

So...

maybe...

then
you
respond
the
same
way.

If you're facing
a good person,

then you
become
good, too.

If the
person is
the exact
opposite...

If it's
someone
serious...

So,
are
you

"serious?"

Oh...

*Once we turn
the corner,
we'll be able to see
my house.*

You're a
strange
guy.

You've
come to
my house
once on your
own, but, now,
you hesitate
when you're
with me.

You've
still got that
habit from when
you were
stalking
me.

I've got
a man who
won't shut up
and all these
cats...

NO!

Oh... is it
because of
my home?

That's...

not...

it...

It's the
other way
around...

If I... go
home with you,
Sou-kun, I'll
never want
to leave.

Honestly,
I've
always...
I... I
mean...
WANT
to be
there.

Huh?

Then...
it's
okay?

So...

It's...
I mean...
it's hard
for me to
say...

Um...

*Then
it's okay
if you
come
over?*

Or...

S...

Sou-
kun...

Yeah...

Hm?

L...

Mm...

I've
never...

done this
with a guy
before.

Me
neither...

I've
never done it,
nor had it done
to me.

I mean, he
avoided
it...

or more
likes, he cut
me off...

Huh?

Maybe
he couldn't
answer...

But I
wonder if there
aren't a lot things
that "person"
himself doesn't
know...

They say...
"Only the person
himself knows
his own
business."

I've been
thinking
about it...

Actually,
Fungus and
Saur kun...

may not
know what
"the truth"
is...

any
more than
those of us on
the outside
do.

So
maybe...

there's no
way Saur kun could
have given us an
answer.

So,
even in the
future...

"whatever
will be, will be,"
right?

no matter
how much we
wonder and
suspect...

Probably...

for
everyone...

Between Furuse, who doesn't know conflict...

and, Star-kun, the more we fight...

both truth and lies...

equally flow out and fade away.

Even now I don't know how it happened.

Before I realized it...
you were constantly in my sight...
and that, for no reason whatsoever,
terrified me.

I thought you'd ~~been~~ following me.

Then, one day,
I realized...

was the one following you...

and I was the one who wanted to be killed.

But it's
not like I
really
wanted to
die.

Isn't
that
weird?

I wanted
to be killed, but
I didn't want
to die.

You
really are a
strange
guy.

IN YOUR VIEW OF THE WORLD, I'M INVISIBLE.
IN YOUR WAY OF THINKING, I'M INCOMPREHENSIBLE.
THE GAP BETWEEN YOU AND ME CAN'T BE FILLED.

But, perhaps, it isn't worth worrying about...
these things...

Hey..

do you
still think I'm
scary?

Yeah...

!!!!!!!!!!!!
FANTASTIC!

I
mean,
you can
use your
own for
that??

NO WAY?
They DO this
kinda stuff??

SERIOUSLY??
